

## **Cogent Helping Each Employee Recover**

In late August, Hurricane Harvey ripped through South Texas with an unmatched ferocity, destroying homes and lives. At Cogent, we are committed to helping our employees get back on their feet as quickly as possible. We have launched CHEER to help not only our employees, but also hopefully our South Texas community near our Orange Grove facility. Below is a list of immediate needs for several employees who suffered considerable damage to their homes. If you would like to donate items, please reach out to Diana Singson at [DSingson@cogentenergyservices.com](mailto:DSingson@cogentenergyservices.com) or (713) 554-1151. Thank you.

---

**Employee 1** suffered extensive damage to his home, including water damage on his home's floors, windows and roof damage, and doors ripped off.

- He has a 20 month old boy at home
- He is expecting a girl in a few months.

**Employee 2** suffered damage to his home but is back in his home with his three children, ages 15, 17, and 21.

**Employee 3** suffered damage to his home but is back in his home with his three children, ages 9, 13, and 15.

**Employee 4** suffered damage to his front porch and yard and lost both of his vehicles. He has two children living at home, ages 14 and 16.

**Employee 5** lost his roof to his home, so it is uninhabitable. His two children, ages 3 and 5, have been relocated to family in Houston while his home undergoes repairs.
